JKC Activity Planning Sheet

Wheels Day

Age: 5 - 12

Time: 1 - 3 Hours

Location: Courtyard and around the school

Materials: Chalk, rubber arrows, streamers, pom poms, balloons, plastic tape, cardboard for bike signs.

Set-Up: Prepare an obstacle course and a bike decoration area. Have the bike decoration area set up in the courtyard with a variety of supplies to decorate bikes. Have one staff facilitate this station. Have another staff set up the direction of the course using chalk, pylons and rubber arrows.

Priming Games: Have children assist with the bike course preparation using side walk chalk. Have children assist making traffic signs. Have all of the children participating in wheels day line up on the fence or a wall. Have one staff hold the bike signs (such as slow, go, stop, etc.). Before children enter the courtyard, explain to them the offerings, expectations and rules. Station one staff in the courtyard, one staff on the side of the school and one staff in the front. All staff need First Aid Kits and need to be able to see all children on wheels at all times. **All children need to wear a helmet. Children are not allowed off site with their wheels.**

Cool Down: When children are finished, ask them to assist with clean up. Have children gather in the courtyard for a group stretching session. Have one staff lead the group in some simple stretches. Remind the children to get a drink of water.
